

# PARTNERSHIP OPPORTUNITIES!

*Hello Friend,*

My name is Mikka Hunt, and I am pleased to introduce myself as the new Executive Director of Downtown Wabash, Inc. Over the past year, I have served as the Events Manager, where I gained a strong understanding of our organization's work, achievements, and future potential. Having been closely involved in our successes last year, I am excited to build on that momentum and bring forward new ideas to help us grow in the year ahead.

Wabash is a remarkable community and a truly worthwhile place to invest. It is a city where neighbors, local businesses, and community leaders come together with a shared purpose: to make our city even better. I have witnessed firsthand the impact of collaboration and the magic that happens when we work together.

Our signature programs First Friday and the Farmers Market have become far more than events. They are vibrant gatherings that bring people together, celebrate our local culture, and create lasting memories. I am excited to continue strengthening these initiatives and expanding their impact throughout our community.

I am reaching out today to ask if there may be an opportunity for us to partner on one of these vital community events. Wabash is such a welcoming and thriving place, and I believe that together we can make our events even more impactful. With your support, we can continue to foster the energy and community pride that makes our downtown truly special.

Enclosed, you will find a detailed sponsorship packet outlining the partnership opportunities available. I invite you to review these options and consider joining us as a partner in this exciting journey. Your involvement will not only enhance our events, but also help reinforce the values that bind our community together.

Thank you for your time and consideration. I look forward to the possibility of working together.

Your friend,

**Mikka Hunt**  
Executive Director
